Landfill hours are 7 a.m. to 3 p.m. Monday through Friday

ALL WASTE MUST BE GENERATED FROM MARQUETTE COUNTY ONLY

FOLLOW ALL SIGNS AND INSTRUCTIONS GIVEN BY LANDFILL EMPLOYEES

ALL LOADS MUST BE TARPED. NO EXCEPTIONS.

Tarps prevent debris from blowing out of the loads prior to arriving in the dumping area. Loads will be turned away at the scale if it is not tarped. Leave your load tarped until you arrive at the designated dump site.

Upon Arrival:

Stop COMPLETELY before SLOWLY driving onto the scale. Wait until the vehicle in front of you is completely off of the scale.

PARK vehicle on scale. Make sure vehicle is within the scale boundaries. This includes your truck and trailer. LEAVE vehicle on scale. Go into the office to give your information to the scale operator.

Stay in line! Dump in the order that you came across the scale; do not cut in front of trucks that are waiting to dump. Stay in your vehicle while waiting to dump. Dump between the "X" signs, not on the "X" signs.

Charges will be assessed to loads dumped in the wrong locations.

Come back on to the scale after dumping or you will be charged the entire weight of your truck and trailer.

Tipping fees will be paid promptly upon receipt of billing from the Municipality. I also understand that failure to pay for such fees will result in suspension of landfill privileges and may initiate other actions as deemed necessary by the Municipality Board to recover unpaid amounts.
