Comments from guests:

> Howard Garbett (109 W. Water St., Negaunee)

What does the construction of this involve? What will it look like?

City recommendation that fence/barricade not needed because grade is lower than neighboring properties.

> Rob Tervo (MDOT) - sidewalk w/ ramping on Water St., 3.5" of blacktop w/ 6" gravel, ditch remains between lot and US41, signage will be from US41, no lighting, possible expansion for up to 22 more spots

Billboard remains - separate ownership

No long term parking (3 days+), cars for sale etc.

Building for 14-15 spots possible to add 15 more spots

Contract snow removal will be through MDOT contract with City or County

MOTION: To approve building MDOT Park and Ride (both phase 1 & 2) by Commissioner Jandron, 2nd Sjolund. Motion carries.
