

2016 Annual Customer Summary

Energy Optimization (EO Report Summary – MPSC Case Number U-17405)

This summary details how during Calendar Year 2016 the **Negaunee Department of Public Works** complied with Michigan's Public Act 295, known as the Clean, Renewable and Efficient Energy Act.

The Department elected to participate in the statewide energy efficiency program **Efficiency UNITED**, which provides assistance and incentives to homeowners, renters and business owners who utilize high efficiency products and services for their homes and businesses.

Efficiency UNITED's plan administrator is the Michigan Community Action Agency Association (MCAAA). MCAAA has selected CLEAResult, a national provider of energy efficiency services, to implement *Efficiency United's* energy efficiency programs in our community.

We pay for participation in *Efficiency UNITED* through a surcharge applied to your monthly electric bill. The surcharge during 2016 was \$0.003 per kilowatt-hour (kWh), or about \$1.40 per month for the average residential customer.

In 2016, *Efficiency UNITED* spent \$57,994 on Energy Optimization programs and services for our community, helping our customers save 585,252 kWh of electricity per year.
