INVITATION TO BID

Installation of Rolled Rubber Flooring

Negaunee Ice Arena

City of Negaunee is accepting proposals for the installation of Rolled Rubber Flooring at the Ice Arena. Below is the scope of work.

**Scope of work to include:**

Work includes, removal and disposal of existing flooring and prepare floor for installation of new rolled flooring. The new flooring should match the last installed floor which is Recycled Rubber Flooring in Rolls of 48" wide and ¼" thick by full length of Lobby and Restroom areas which varies in length, installed with the manufacture's approved adhesive. A 4" traditional rubber base toe molding is included in the installation of the floor. Further details will be discussed by scheduling an appointment with the Ice Arena Manager at 906-475-7900.

Sealed Bids will be received at the Negaunee City Hall 319 W. Case St. P.O. Box 70, Negaunee, MI. 49866 until 10:00 a.m. on July 12th, 2018 at which time the bids will be opened and read aloud. Please "Mark" "Ice arena flooring" on sealed envelope.

The City will pay upon satisfactory completion of all work and the final acceptance of said work by all parties. Upon such final acceptance, the City will remit to the contractor all monies due under the terms of the contract net 40 days.

All work must be completed within 60 days of the notice to proceed. The Notice to Proceed will be issued with award and signed contract. The City of Negaunee reserves the right to reject any and/or all bids.

For additional information or questions, contact the City of Negaunee Ice Arena at 906-475-7900 Derek DuShane.
