

# You now have access to even more books!

Learn how to sign into a partner library:

1. Go to Menu > **Add A Library**.
2. Search for the partner library and open it.
3. Go to Menu > **See Library Cards**.
4. Tap **Add A Card**, then **I'm Visiting From Another Library**.
5. Choose your normal library from the list and sign in.

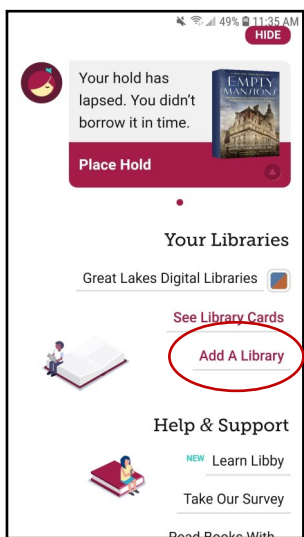

Your Great Lakes Digital Library is now in partnership with three large institutions to have shared access to digital collections.

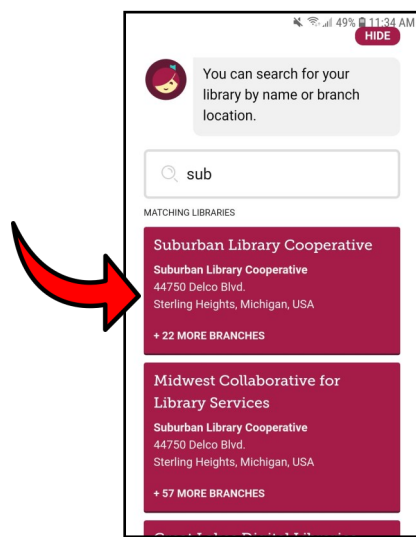

## Our new partner libraries:

- Suburban Library Cooperative
- Midwest Collaborative for Library Services
- Lakeland Library Cooperative

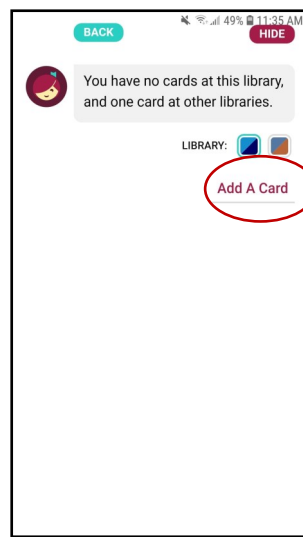

**Step 1:** Go to the **Libby** menu in the top right corner then click **Add A Library**

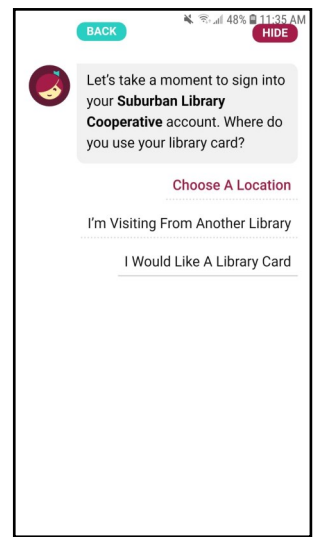

**Step 2:** Search for a partner library and select it.

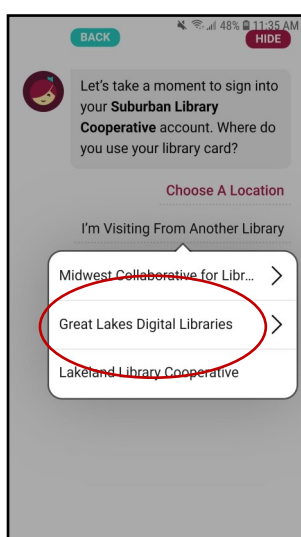

**Step 3:** Go to the **Libby** menu in the top right corner again and click **Add A Card**

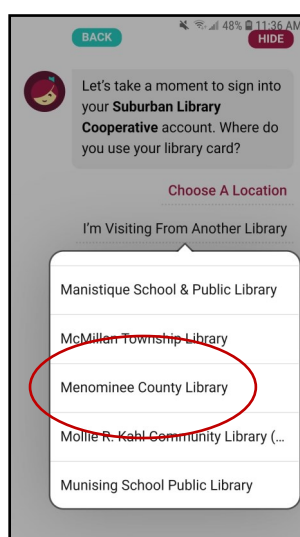

**Step 4:** Select **I'm Visiting From Another Library**

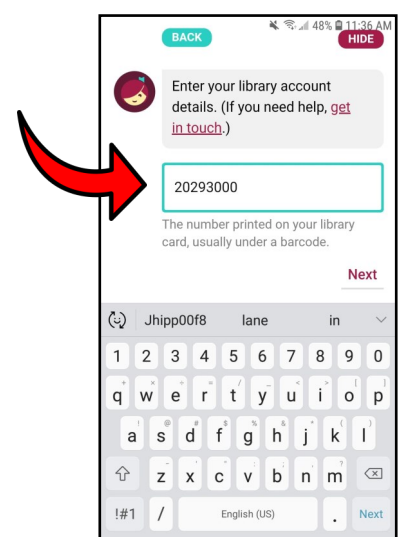

**Step 5:** Select **Great Lakes Digital Library**

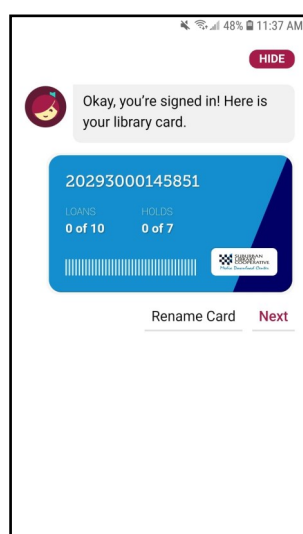

**Step 6:** Select the library you have your card through

**Step 7:** Sign in with your barcode and PIN

You have successfully added a new library card!  
Repeat these steps for the remaining partnering libraries.

**REMINDER:** Each library collection has its own search. You will need to switch between libraries to see their collections.

Your shelves will show your items from all the different libraries together.
